

STA 611: Introduction to Mathematical Statistics

Instructor: Sanvesh Srivastava

TueThu 4:40pm - 5:55pm, Old Chemistry Building 116

November 25, 2014

Finals

- Covers material from Chapters 1 - 9
- Except the sections I said you could skip (see lecture notes)
- In this class room, Sun, Dec 14, 7pm - 10pm. The exam is closed book and closed notes.
- You may bring two sheets of paper, letter size (8.5×11 in), on which you may write what you wish on both sides.
- Bring a calculator - that does not connect to internet or mobile network. You cannot use your phone, Ipod, laptop, etc.
- I will bring the tables needed (normal, chi-square, etc.)
- **WARNING:** *As you know there have been typos on my slides from time to time. If the formula given on my slides is different from what is given in the book: **TRUST THE BOOK.***

Last Homework and Misc.

- You can pick up your homework by dropping by my office 223 C Old Chemistry Building during office hours on next Tuesday.
- Make sure you check your grades on Sakai.
- If grades are missing or wrong in Sakai, bring your homework (or midterm) to me - same time and place as above.
